

MRCB Celebrates Staff Contributions to the National Day Parade

KUALA LUMPUR, 27 NOVEMBER 2023 – Malaysian Resources Corporation Berhad (MRCB or the Group) hosted an appreciation and certificate presentation ceremony to honour the dedication of MRCB staff that successfully marched in the National Day Parade 2023 in Putrajaya.

During the event, Datuk Seri Amir Hamzah, Chairman of MRCB, presented the certificates and personally conveyed his gratitude to each and every one of the 106 participants, taking the time to acknowledge each of their invaluable contributions to the MRCB contingent and the meticulous planning and preparations that contributed to the overall success of the event.

Datuk Seri Amir Hamzah commended MRCB Staff's commitment to the numerous rehearsals that took place after office hours and the pride he felt at the enthusiasm displayed by all the participants during this significant national event, commenting that their participation not only demonstrated MRCB's dedication to the nation but also showcased the company's spirit and unity. While acknowledging the challenges of marching, he highlighted the importance of teamwork and collaboration, expressing pride in MRCB's ability to present its strength and calibre to the entire nation.

About MRCB

MRCB is a leading urban property and construction company, which has been listed on the Main Board of Bursa Malaysia since 1971.

The Group's activities span three areas: Property Development & Investment; Engineering, Construction & Environment and Facilities Management & Parking.

As the developer of the iconic RM18 billion KL Sentral CBD, MRCB pioneered Transit Oriented Development (TOD) in Malaysia and is setting the standard for future fully integrated TOD projects. MRCB's property development revenues are underpinned by its 1,153-acre land bank which has an estimated GDV of RM33 billion. Its property investment activity is conducted through its 27.94% equity stake in Sentral REIT.

Apart from constructing world class commercial and residential developments, MRCB's Engineering, Construction & Environment Division also has an enviable track record in highways, rail infrastructure, high voltage power transmission projects and the rehabilitation of rivers and coastal areas. The Division currently has an external tender book of RM30 billion.

MRCB's largest shareholder is the Employees Provident Fund.
